HOUSE CLEANING

Down on the farm where Al and his famouse police, ~~the~~ resoursfull cat, Arsdley lived. Many mischievous mice had the free run of the house. They had the downright idiosity to smoke the farmers fine cut tobacco in his old corn cob pipe and when he protested they'd even blow the smoke in his face.

Arsdley had an inventive mind and having seen the power of their new vaccuum cleaner he wondered just a little bit if it couldn't be put to use in cleaning out the mice. He turns it on full force and starts in. It works fine for a while in fact it even does the trick of pulling the parrot out of his cage. Just then the smaller pieces of furniture become victims. Things are flying fast and furiously ~~and~~ even the farmer himself engaged in a struggle for supremacy against a lone mouse if ~~forse~~fully taken in. Then the whole thing explodes blowing up the whole house and everthing. The farmer and the cat land side by each followed by a violent shower of mice. The farmer chases the cat away with a hatchet and there is murder in his eye. Al says: "Good Help Is Hard To Find"
